Order Granting Extension In Part

Respondent Daimler Chrysler Corporation has filed an unopposed motion seeking an extension of 45 days from the Court's June 28, 2002 cut-off date for any motions. Respondent's relates that it has "accepted in principle the framework of [EPA's settlement proposal]."

Upon consideration the Court will extend the deadline for filing any motions to July 19, 2002. By that date the parties ought to know whether or not a CAFO will become a reality. Absent an executed CAFO, the hearing will commence, as scheduled, on September 11, 2002.

Further requests for extensions or postponements will be disfavored.
